Please insert the following statement concerning Government support in the second paragraph of the specification as a replacement for the previous statement concerning Government support:

“This invention was made with Government support under the following grants: Grant No. CA62924, awarded by the National Cancer Institute as a Colon Cancer SPORE Grant; Grant No. CA77045, awarded by the National Cancer Institute; and Grant No. 6213-98, awarded by the Leukemia Society of America. The Government has certain rights in this invention.”

This statement is made to accurately reflect the government support status of the application. The insertion to the specification does not add any new matter.

Please delete the previous statement in the specification concerning Government support, which inadvertently referenced incorrect grant information.

The errors sought to be corrected in this patent were made in good faith and without deceptive intent. Accordingly, Applicants submit that the Request for Certificate of Correction does not raise issues of new matter, nor does it require reexamination.

Accompanying this Request is a completed Form PTO/SB/44 to be included with the issued patent.

In view of the above statements, it is respectfully requested that a Certificate of Correction of United States Patent Number 6,783,933 be issued, including the statement concerning Government support.
